## AQUA CLASS DESCRIPTIONS

**Aqua Fitness** - This exciting aqua class offers a little bit of everything. Class will include a warm-up, cardio (aerobic) conditioning, upper body toning, abdominal exercises and stretching. A variety of equipment may be used during the workout.

**Arthritis/ Water Walking** - This 45 minute class alternates between water walking and exercises recommended by The Arthritis Association. Traveling patterns include walking forward, backwards and sideways for a gentle full body workout.

Adults must accompany child in pool at all times. Free for members- \$10.00 for guest/ non-members.

**Lap swimming for fitness** - If you chose to incorporate lap swimming into your fitness routine then you may want to learn about the size of our pool. The Sports Club pool is 48 feet or 16 yards long. So one would have to swim 110 lengths or 55 laps to cover the distance of one mile. If you prefer to measure your training in meters then our pool is approx. 14 ½ meters long. You will have to swim 68 lengths or 34 laps to cover the distance of 1 kilometer.
